COMMUNITY IMPACT ARTS GRANT (CIAG) PROGRAM

2020-21 GENERAL TERMS AND INSTRUCTIONS

EXHIBIT B

FY 2020-21

WELCOME

On behalf of the Department of Arts and Culture's Grants and Professional Development division, congratulations on receiving a grant award for the 2020-21 Community Impact Arts Grant cycle. We are appreciative of your commitment and service of Los Angeles County especially during this time.

First established in 2015, the CIAG program continues to serve a wide variety of populations and communities. CIAG supports the work community-based organizations and municipalities are invested in to ensure that residents have access to arts and culture as a resource for their overall wellbeing. The Department of Arts and Culture has found that CIAG grantees serve more diverse communities in terms of race and ethnicity and significantly more communities where more than a quarter of the population earns less than the federal poverty level. We are proud that this program supports the meaningful role of arts and culture in social service and social justice organizations in our most underserved areas.

These General Terms and Instructions contain important information you will need to manage your grant, meet requirements, and receive payment. Please read the entire document thoroughly and visit our website at <http://lacountyarts.org/CIAG> to access up-to-date resources and information about managing your CIAG award. If you have any questions about your grant, please contact grants staff at (213) 202-5858 or ciag@arts.lacounty.gov.

In light of the public health emergency posed by COVID-19 and in accordance with state and county public health orders, additional guidance may be issued to support grantees in following safety precautions, procedures or processes as information becomes available. Additionally, this guidance may be updated as the situation evolves.

We look forward to working with you and thank you for your dedication to community building and service through arts and culture!

Instructions for downloading your 2020-21 application and all past historical data, applications, forms, and materials from the existing system are viewable as a [downloadable PDF](#).

REQUIREMENTS FOR GRANTEE

The following requirements must be met by your organization prior to contract signing:

California Secretary of State – Certificate of Good Standing

Los Angeles County verifies that each grantee organization is registered to do business in California and is in good standing with the California Secretary of State before the grant contract can be fully executed. Each Grantee is responsible for maintaining its good standing with the California Secretary of State for the entire term of the grant, or the grant will be forfeited, and all money received from the County must be repaid.

Los Angeles County Vendor Number

Grantees must have a current vendor number registered with Los Angeles County. To obtain a vendor ID visit <http://camisvr.co.la.ca.us/webven/>. If you have questions relating to your vendor number, please contact vendor relations at 323-267-2725 Monday - Thursday (7:00 a.m. to 5:00 p.m. PST).

Once a vendor number is created, grantees should register for Vendor Self-Service (VSS) to support and ease account management.

After registration in VSS, grantees **are required to enroll in Direct Deposit**. Please complete the form and follow the “Direct Deposit” instructions listed on the County’s website at http://file.lacounty.gov/auditor/portal/cms1_237279.pdf.

DUNS Number

The Department of Arts and Culture requires that all grantees have a DUNS number. To verify an existing DUNS number or to request a new DUNS number, go to the Dun & Bradstreet website at <http://fedgov.dnb.com/webform/displayHomePage.do> or call (866) 705-5711.

CONTRACT OVERVIEW

It is your responsibility as a grantee to meet all applicable award requirements. If you fail to comply with applicable requirements, your contract may be suspended or terminated, and you may forfeit some or the entirety of the grant award.

UPDATE! Grant Period

In response to COVID-19 the grant period has been extended from one year to 18 months. The period of this grant is from July 1, 2020 through December 31, 2021. All matching and grant funds must be expended within the grant period. Organizations will be required to report all related expenditures as part of final report, due January 15, 2022.

NEW! Midpoint Check-In

Grantees should schedule a one-on-one phone appointment with the Grants Manager to discuss progress of the funded project by April 30, 2021 – the midpoint of the grant period. Appointment scheduling takes place here: https://calendly.com/ciag_office-hours/

Matching Funds

Grantees must demonstrate and report matching funds that ensure Los Angeles County grant funds do not exceed fifty percent (50%) of the total cost of the supported project. Please note that the contract provides that you may forfeit some or your entire grant award if you do not comply with this requirement.

Signing the Contract

Per State of California requirements for nonprofit organizations, the grant contract may be executed in one of two ways.

1. *Two signatures – the official legal requirement:*

A contract must be signed by two distinct members of the organization's board of directors. Reference the table below to identify which positions are allowed to sign.

Signature 1: Executive level board positions	Signature 2: Supporting level board positions
President, Vice-President, or Chair	Secretary, Assistant Secretary, Chief Financial Officer, or Treasurer

Examples:

Correct Signatures	A contract signed by the <i>President</i> and <i>Secretary</i> would be acceptable.
Incorrect Signatures	A contract signed by the President and the Vice-President, or by the Secretary and the Chief Financial Officer, would not be acceptable.

– OR –

2. *One signature – delegated authority:*

The board of directors may delegate the authority to sign a contract on behalf of the organization to a single person or position within the organization (e.g., the Executive Director). In such case, you must provide evidence of the person's authority to sign the contract. Such evidence typically takes the form of a resolution adopted by the organization's board of directors, or the articles of incorporation.

Note:	A person may hold more than one position within your organization. For example, an Executive Director may also sit on the board, and may sign contracts using their board title and not their title of executive director.

Adjusted Grant Budget

Grantees must provide the Department of Arts and Culture with an updated budget demonstrating all projected income and expenses related to the project scope and reflective of the grant award amount. The *Adjusted Grant Budget* form must be submitted online via <https://apply-lacdac.smapply.io/> and will be available for completion on September 1, 2020 and due by October 15, 2020. **Note: Forms must be submitted prior to final execution of the contract; any delays in submission of this form may delay final execution of the grant contract.**

In most cases, CIAG awards are *less than* the original grant request amount. As a result, please scale down the project budget using the Adjusted Grant Budget form in Fluid Review. This must be submitted as part of the contract agreement. If the CIAG award amount seriously impacts the scope of work or project budget, please refer to the Project Amendment section of this document for instructions.

LA COUNTY CREDIT AND RECOGNITION OF SUPPORT

- Payment requests must be submitted through the online grants system (<https://apply-lacdac.smapply.io/>) and include the following items:
 1. Invoice form

 3. Proof of Department of Arts and Culture recognition
 4. Two (2) high resolution images (300 dpi, at least 1,000 pixels across) documenting the CIAG funded project and not submitted in prior applications or reports.
 5. Letter of Impact to the Board of Supervisors and Arts Commissioners
- *Important Note:* The second letter of impact must be included as part of the final report detailing the impact of the grant on your organization as well as the communities served. This requirement must be met in order to process your invoice. Refer to pages 4 and 5 for additional information about where to mail your letter of impact.

PROJECT AMENDMENTS

Grant activities and expenses must be consistent with those approved for funding. If changes in the project are necessary, you must:

1. Contact the Department of Arts and Culture's Grants and Professional Development staff and set up a project amendment phone appointment;
2. Complete a project amendment form to be provided by Grants and Professional Development staff following the phone appointment.

No project amendment is effective unless and until grantee receives written approval from the Department of Arts and Culture, in the form of a signed project amendment form. Until such time

as grantee receives such written approval, grantee must carry out its project and incur costs in a manner consistent with the terms and conditions of the original contract.
