## **1 INTRODUCTION**

### **1.1 Purpose**

The Los Angeles County Department of Arts and Culture (Arts and Culture) is issuing this Request for Proposals (RFP) to solicit proposals for a contract with an individual or organization that can develop a draft Countywide Tribal Consultation Policy (Policy) and Implementation Plan (Plan) for the LA County Board of Supervisors (Board) to consider adopting for LA County (County). The Policy will provide a framework for the County to establish and maintain effective and consistent government-to-government relationships and engage in meaningful consultation with California Native American Tribes with ancestral and cultural ties to the County.

### **1.2 Project Overview**

The Consultant will develop a draft Countywide Tribal Consultation policy and an accompanying implementation plan for the Board to consider adopting. The consultant will also maintain appropriate documentation of the project.

### **1.3 Background**

Tribal governments have a unique relationship with the County compared to community stakeholders who may engage in County processes. The method of interactions with tribal governments should be clearly distinguished from standard community engagement protocols to reflect the government-to-government relationship. Government-to-government tribal consultation provides beneficial insight and helps to produce more robust and meaningful policies, procedures, and ordinances that govern all areas of mutual interest between the County and tribes. This policy should encompass both federally recognized and non-federally recognized tribal governments.

In 2021, the Los Angeles City/County Native American Indian Commission (LANAIC) and Chief Sustainability Officer (CSO) led multiple listening sessions with tribal leaders and the American Indian and Alaska Native (AIAN) community related to land access issues in response to the LA County Board of Supervisor's (Board) September 29, 2020, Item No. 9 Indigenous Peoples Day motion. One of the six main recommendations made by the group and presented to the Board was to develop Countywide policies and programs to improve government-to-government relations, including the Policy and protocols developed in collaboration with local tribes to reflect their priorities.

To support the development of a Tribal Consultation Policy, the Board adopted a [motion](#) by Supervisors Hahn and Solis directing the LANAIC, in coordination with the Executive Director of Racial Equity for the County's Anti-Racism, Diversity, and Inclusion Initiative (ARDI), to facilitate and co-lead a workgroup from relevant County departments and leadership from the local tribes listed by the State of California's Native American Heritage Commission (NAHC) to provide specific recommendations regarding the resources and funding needed to develop a systemic tribal consultation policy for the County, as well as provide specific recommendations regarding resources and funding required to develop a truth, healing, and transformation council.

Additionally, the Board adopted a [motion](#), "Acknowledge and Apologize for the Historic Mistreatment of California Native Americans by Los Angeles County" that directed relevant County departments to work in collaboration with local tribes to explore and examine the historical record and relationship between the County and California Native Americans, and develop a public statement that acknowledges, corrects, and disseminates the actual historical record of the County.

Recently, local tribal leaders expressed the need for a Countywide Tribal Consultation Policy during a series of community engagement listening sessions regarding land acknowledgement, harms, and land access. Numerous tribal participants discussed the need to develop a tribal consultation policy to ensure respectful and consistent interactions between County officials, departments, staff, and local Tribes.

The evaluation panel will review applications based on the criteria detailed above and will select up to three (3) finalists for interviews. Selected finalists will be asked to develop a 15-minute presentation of their practice and past projects for the interview. Interviews will take place over Zoom. All applications will be scored and ranked in numerical sequence from high to low.

The maximum number of possible points for Part 2 (100 points) will be awarded to the proposal with the lowest cost. All other proposals will be compared to the lowest cost, and points will be awarded accordingly.

The County has three preference programs. Please refer to the for more information. Should one or more of the proposers' requests be granted the preference, the cost component points will be determined as follows:

- Fifteen percent (15%) of the lowest cost proposed will be calculated and not to exceed \$150,000. The amount will be deducted from the amount submitted by all proposers who requested and were granted the preference.
- In no case will any preference be combined to exceed fifteen percent (15%) of the lowest responsible bid meeting specifications.

**6.2 Proposer's Debarment History and List of Terminated Contracts (Based on review, the overall score for subsection 1.2 Background and Experience may be adjusted downward by up to 20%)**

The County will conduct a review of proposer's terminated contracts and debarment history. Proposer must include contracts terminated within the past three (3) years with a reason for termination in Appendix B (Required Forms), Form 2 (Proposer's Debarment History and List of Terminated Contracts). Proposer's completed Form 2 must be provided in Part 3 of proposer's proposal. Failure to complete or disclose may result in disqualification.

**6.3 Proposer's Pending Litigation and Judgments (Based on review, the overall score for the subsection b) Background and Experience may be adjusted downward by up to 10%)**

The County will conduct a review of proposer's pending litigation and judgments. Proposer must identify by name, case and court jurisdiction any pending litigation in which proposer is involved, or judgments against proposer in the past five (5) years. Additionally, proposer must provide a statement describing the size and scope of any pending or threatening litigation against the proposer or principals of the proposer in Appendix B (Required Forms), Form 3 (Pending Litigation and Judgments). Failure to complete or disclose may result in disqualification.

**6.4 Unresolved Disallowed Costs**

If Proposer's compliance with a County contract has been reviewed by the Department of the Auditor-Controller within the last ten (10) years, Proposer must not have unresolved questioned costs identified by the Auditor-Controller, in an amount over \$100,000.00, that are confirmed to be disallowed costs by the contracting County department, and remain unpaid for six months or more from the date of disallowance, unless such disallowed costs are the subject of current good faith negotiations to resolve the disallowed costs, in the opinion of the County.

## **7 SELECTION PROCESS**

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate, and select the successful proposal(s).

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described in this RFP to select a prospective contractor.

The evaluation process will be conducted in three stages:

Stage 1: Adherence to Minimum Requirements (Pass/Fail)

Stage 2: Proposal Evaluation (Part 1. Services and Part 2. Cost)

Stage 3: Interview

Stage 4: Final Review and Selection

The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

### **Stage 1: Adherence to Minimum Requirements (Pass/Fail)**

County will review Form 1 (Minimum Qualifications), in Appendix B (Required Forms) to determine if the proposer meets the minimum requirements as outlined in Section 3 (Proposer's Minimum Qualifications) of this RFP.

This section of the evaluation is scored on a “Pass” or “Fail” basis. Proposers must “Pass” each of the minimum requirements. Proposals assigned a score of “Fail” shall be disqualified and shall not proceed to the next phase of the evaluation process.

Proposals that pass Stage 1 of the evaluation will proceed to Stage 2.

### **Stage 2: Proposal Evaluation (Part 1. Services and Part 2. Cost)**

All proposals will be evaluated based on the criteria listed in Section 4 (Proposal requirements and Materials) and will be scored and ranked in numerical order from highest to lowest.

The County will combine each proposer’s services and cost proposal evaluation score to arrive at a total cumulative (or “final”) score.

### **Stage 3: Interview**

Each proposal’s final score will be used to determine and select the highest-overall rated proposer. Up to three (3) of the highest scored proposers will be asked to provide two (2) references where the same or similar scope of services was provided and will be invited to an interview.

The interview panel will make the final selection of the prospective contractor that they believe will best meet the needs of the County. In addition to the references provided, a review will include the Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts. This review may result in point deductions up to one hundred percent (100%) of the total points awarded in this evaluation category.

### **Stage 4: Final Review and Selection**

After a prospective contractor has been selected, the County and the prospective contractor(s) will negotiate and enter into a contract substantially similar to Appendix A, Sample Contract. If a satisfactory contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified proposer who submitted a proposal, as determined by the County.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

## **8 COUNTY’S RIGHTS AND RESPONSIBILITIES**

### **8.1 Representations Made Prior to Contract Execution**

The County is not responsible for representations made by any of its officers or employees prior to the execution of the contract unless such understanding or representation is included in the contract.

### **8.2 County’s Option to Reject Proposals**

Proposers are hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety. The County will not be liable for any costs incurred by the proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

### **8.3 County's Right to Amend Request for Proposals**

The County has the right to amend the RFP by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum will be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and will not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

### **8.4 Background and Security Investigations**

Background and security investigations of contractor's staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting contract. The cost of background checks is the responsibility of the contractor.

## **9 NOTIFICATION TO PROPOSERS**

### **9.1 Notice to Proposers Concerning the Public Records Act**

Responses to this solicitation will become the exclusive property of the County. Absent extraordinary circumstances, the recommended proposer's proposal will become a matter of public record when 1) contract negotiations are complete; 2) Arts and Culture receives a letter from the recommended proposer's authorized officer that the negotiated contract is the firm offer of the recommended proposer; and 3) Arts and Culture releases a copy of the recommended proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)).

Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the Department's proposer recommendation appears on the Board agenda.

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the proposer as "Trade Secret", "Confidential", or "Proprietary".

The County will not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential will not be deemed sufficient notice of exception. The proposers must specifically label only those provisions of their respective proposal which are "Trade Secrets", "Confidential", or "Proprietary", in nature.

In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential", "Trade Secrets", or "Proprietary", proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

### **9.2 Contact with County Personnel**

All contact regarding this RFP or any matter relating thereto must be in writing, and e-mailed to: Julien Tan, Administrative Manager [admin@lanaic.lacounty.gov](mailto:admin@lanaic.lacounty.gov)

If it is discovered that proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their proposal from further consideration.

### **9.3 Mandatory Requirement to Register on County's WebVen**

If a proposer is awarded a contract the potential contractor must register in the County's WebVen. WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at:

<http://camisvr.co.la.ca.us/webven/>

### **9.4 Protest Policy Review Process**

Under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)) any prospective proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Paragraph 9.5.1 (Grounds for Review) below. Additionally, any actual proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the paragraphs below. It is the responsibility of the proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

#### **9.4.1 Grounds for Review**

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 ([Services Contract Solicitation Protest](#)) are limited to the following:

1. Solicitation Requirements Review (referenced in Paragraph 11.1)
2. Disqualification Review (referenced in Paragraph 11.2)
3. Department's Proposed Contractor Selection Review (referenced in Paragraph 11.3)

### **9.5 Conflict of Interest**

No County employee whose position in the County enables them to influence the selection of a contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, will be employed in any capacity by a proposer or have any other direct or indirect financial interest in the selection of a contractor. Proposer must certify that they are aware of and have read [Section 2.180.010 of the Los Angeles County Code](#) as stated in Form 2 (Certification of Compliance) of Appendix B (Required Forms).

### **9.6 Determination of Proposer Responsibility**

A responsible proposer is a proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible proposers.

Proposers are hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may determine whether the proposer is responsible based on a review of the proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the proposer had no knowledge must not be the basis of a determination that the proposer is not responsible.

The County may declare a proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.

If there is evidence that the apparent highest ranked proposer may not be responsible, the Department will notify the proposer in writing of the evidence relating to the proposer's responsibility, and its intention to recommend to the Department Director that the proposer be found not responsible. The Department will provide the proposer and/or the proposer's representative with an opportunity to present evidence as to why the proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

If the proposer presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Department Director. The final decision concerning the responsibility of the proposer will reside with the Department Director.

These terms will also apply to proposed subcontractors of proposers on County contracts.

## **9.7 Proposer Debarment**

The proposer is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), the County may debar the proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the proposer's existing contracts with County, if the Board finds, in its discretion, that the proposer has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on the proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity. These terms will also apply to proposed subcontractors of proposers on County contracts

A listing of contractors that are currently on the Debarment List for Los Angeles County may be obtained on the following website: <https://doingbusiness.lacounty.gov/listing-of-contractors-debarred-in-los-angeles-county/>.

## **9.8 Gratuities**

### **Attempt to Secure Favorable Treatment**

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a proposer with the implication, suggestion or statement that the proposer's provision of the consideration may secure more favorable treatment for the proposer in the award of the contract or that the proposer's failure to provide such consideration may negatively affect the County's consideration of the proposer's submission. A proposer must not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the contract.

### **Proposer Notification to County**

A proposer must immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the County Auditor Controller's Employee Fraud

Hotline at (800) 544 6861. Failure to report such a solicitation may result in the proposer's submission being eliminated from consideration.

### **Form of Improper Consideration**

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

## **9.9 Notice to Proposers Regarding the County Lobbyist Ordinance**

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in [County Code Chapter 2.160](#). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by [Los Angeles County Code Section 2.160.010](#), retained by the proposer is in full compliance with [Chapter 2.160 of the Los Angeles County Code](#) and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists.

## **9.10 Consideration of GAIN/START Participants for Employment**

As a threshold requirement for consideration for contract award, proposers must demonstrate a proven record of hiring participants in the County's [Department of Public Social Services Greater Avenues for Independence \(GAIN\) or Skills and Training to Achieve Readiness for Tomorrow \(START\) Programs](#) or must attest to a willingness to consider GAIN/START participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers must attest to a willingness to provide employed GAIN/START participants access to the proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Proposers who are unable to meet this requirement will not be considered for contract award. Proposers must submit a completed Form 2 (Certification of Compliance) of Appendix B (Required Forms), along with their proposal.

## **9.11 Jury Service Program**

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") ([Los Angeles County Code, Chapter 2.203](#)). Prospective contractors should carefully review Paragraph 4.5 (Compliance with the County's Jury Service Program) of Exhibit A (Standard Terms and Conditions) of Appendix A (Sample Contract), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both contractors and their subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

Contractor must certify compliance with County's Contractor Employee Jury Service Ordinance in Form 2 (Certification of Compliance). If a contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in Form 2 (Proposer's Certification of Compliance) of Appendix B (Required Forms) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor's application, the County will determine, in its sole discretion, whether the contractor falls within the definition of contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

### **9.12 Pending Acquisitions/Mergers by Proposing Company**

The proposer must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information must be provided by the proposer in Form 1, (Proposer's Organization Questionnaire/Affidavit) of Appendix B (Required Forms). Failure of the proposer to provide this information may eliminate its proposal from any further consideration. Proposer will have a continuing obligation to notify the County and update any changes to its response in Form 1 (Proposer's Organization Questionnaire/Affidavit) during the solicitation.

### **9.13 Charitable Contributions Compliance**

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read [Background and Resources: California Charities Regulation](#). These rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. The Nonprofit Integrity Act contains substantive requirements affecting executive compensation, fund-raising practices and documentation. Charities with over two million dollars (\$2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) also have specific audit requirements.

### **9.14 Defaulted Property Tax Reduction Program**

The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program"), ([Los Angeles County Code, Chapter 2.206](#)). Prospective contractors should reference the pertinent provisions in Paragraph 4.3 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.8 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Deduction Program) of Appendix A (Sample Contract), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both contractors and their subcontractors.

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

### **9.15 County's Commitment to Zero Tolerance Policy on Human Trafficking**

On October 4, 2016, the Board approved a motion taking significant steps to protect victims of human trafficking by establishing a zero-tolerance policy on human trafficking. The policy prohibits contractors engaged in human trafficking from receiving contract awards or performing services under a County contract.

### **9.16 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)**

The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County must be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the contracting department.

Upon contract award or at the request of the Auditor-Controller (A-C) and/or the contracting department, the Contractor must submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

Upon contract award or at any time during the duration of the agreement/ contract, a Contractor may submit a written request for an exemption to this requirement. The contracting department(s), will decide whether to approve exemption requests.

#### **9.17 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices**

On May 29, 2018, the Board approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in California Government Code [Section 12952](#).

#### **9.18 Prohibition from Participation in Future Solicitation(s)**

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. ([Los Angeles County Code, Chapter 2.202](#)).

#### **9.19 Community Business Enterprise (CBE) Participation**

The County has adopted a Community Business Enterprise (CBE) Program, which includes business enterprises certified as disadvantaged business enterprises disabled veteran-owned, minority-owned, women-owned, and lesbian, gay, bisexual, transgender, queer, and questioning-owned business types. The County has established a collective 25% participation goal for CBE certified firms, calculated on the eligible procurement dollars. The program also maintains data on the types of businesses registered as CBEs and their utilization. The Proposer's CBE participation must be reflected in Form 6 (Community Based Enterprise (CBE) Information) in Appendix B (Required Forms).

All Proposers must document good faith efforts it has taken to assure that CBEs are utilized, when possible, to provide supplies, equipment, technical services, and other services under this contract. The Proposer must make documents related to these good faith efforts available to the County upon request.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on the Proposer's ability to provide the best service and value to the County.

To obtain a list of the County's CBE certified firms, e-mail the request to the County of Los Angeles Department of Economic Opportunity at [CBESBE@opportunity.lacounty.gov](mailto:CBESBE@opportunity.lacounty.gov) with the subject "Request for CBE Listing."

For additional information contact the Office of Small Business at: (844) 432-4900 or at [OSB@opportunity.lacounty.gov](mailto:OSB@opportunity.lacounty.gov).

### **10 COUNTY'S PREFERENCE PROGRAMS**

The County of Los Angeles has three preference programs. The Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). The Board encourages business participation in the County's contracting process by continually streamlining and simplifying our selection process and expanding opportunities for these businesses to compete for County opportunities.

The Preference Programs (LSBE, DVBE, and SE) require that a business complete certification prior to requesting a preference in a solicitation. Additional information on the County's preference programs is also available on the Department of Consumer and Business Affairs' (DCBA) website at: <http://dcba.lacounty.gov>.

## **11 PROTEST PROCESS OVERVIEW**

### **11.1 Solicitation Requirements Review**

Any person or entity may seek a Solicitation Requirements Review by submitting Appendix C (Request a Solicitation Requirements Review) to the Department conducting the solicitation by emailing [admin@laniac.lacounty.gov](mailto:admin@laniac.lacounty.gov). A request for a Solicitation Requirements Review may be denied, in the Department's sole discretion, if the request does not satisfy all the following criteria:

- The request is made within the time frame identified in the solicitation document (generally within ten (10) business days of the issuance of the solicitation document);
- The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a proposal.
- The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
- The request asserts either that:
  - application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
  - due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective proposers.

For each area contested, Proposer must explain in detail the factual reasons for the requested review.

The Solicitation Requirements Review will be completed, and the Department's determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

### **11.2 Disqualification Review**

A proposal may be disqualified from consideration because a department determined it was non-responsive at any time during the review/evaluation process. If a department determines that a proposal is disqualified due to non-responsiveness, the Department will notify the proposer in writing.

Upon receipt of the written determination of non-responsiveness, the proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

- The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
- The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review must be completed, and the determination will be provided to the requesting proposer, in writing, prior to the conclusion of the evaluation process.

Proposer can also be disqualified for Paragraph 9.6 (Determination of Proposer Responsibility).

## **11.3 Department's Proposed Contractor Selection Review**

### **11.3.1 Departmental Debriefing Process**

Upon completion of the evaluation, the Department will notify the remaining proposers in writing that the Department is entering negotiations with another proposer. Upon receipt of the letter, any non-selected proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting proposer's response to the solicitation document with the evaluation document. The requesting proposer will be debriefed only on its response. Because contract negotiations are not yet complete, responses from other proposers will not be discussed, although the Department may inform the requesting proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting proposer of the manner and timeframe in which the requesting proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Paragraph 11.3.2 Proposed Contractor Selection Review), if the requesting proposer is not satisfied with the results of the Debriefing.

### **11.3.2 Proposed Contractor Selection Review**

Any proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in Paragraph 11.3.2 (Proposed Contractor Selection Review) may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as will be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);
2. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
  - a) The Department materially failed to follow procedures specified in its solicitation document. This includes:
    - Failure to correctly apply the standards for reviewing the proposal format requirements.
    - Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
    - Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
  - b) The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the proposer receiving an incorrect score and not being selected as the recommended contractor.
  - c) A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
  - d) Another basis for review as provided by state or federal law; and
3. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the proposer would have been

the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative will issue a written decision to the proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review. The written decision will additionally instruct the proposer of the manner and timeframe for requesting a County Independent Review. (See Paragraph 11.4 (County Independent Review) below.

#### **11.4 County Independent Review**

Any proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

- The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and
- The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review as listed in Paragraph 11.3.2 (Proposed Contractor Selection Review) above.

Upon completion of the County Independent Review, Internal Services Department will forward the report to the Department, which will provide a copy to the proposer.

#### **11.5 Contribution and Agent Declaration**

[Government Code Section 84308](#) requires a party to a contract proceeding to disclose any contribution of more than \$500 made to a County officer within the preceding twelve (12) months by the party or their agent. State regulations require this disclosure to be made at the time an application is filed, and, if a contribution is made during the contract proceeding, within 30 days of making a contribution or on the date on which the party first appears before or communicates with the agency regarding the proceeding after making the contribution, whichever is earliest. All Proposers are advised that they and all of their Subcontractors must complete and return as part of the proposal, the Contribution and Agent Declaration included in Exhibit 9 (Contribution and Agent Declaration Form) of Appendix B (Required Forms). Proposers are further advised that they and their Subcontractors must update the Contribution and Agent Declaration Form throughout the pendency of the solicitation if a contribution is made after the initial disclosure when the proposal is submitted, and as requested at any time by the County prior to contract award. Failure by the Proposer or any Subcontractor(s) to complete and submit the required Contribution and Agent Declaration Form in Exhibit 9, and failure by the Proposer or any Subcontractor(s) to update the declaration as required by law or as otherwise requested by the County, may eliminate the proposal from further consideration and/or the Proposer may be disqualified from a contract award, as determined in the County's sole discretion. Further, all Proposers and their Subcontractors are prohibited under [Government Code Section 84308](#) from making a contribution of more than \$500 to a County officer for twelve (12) months after the date a final decision is made in the contract proceeding involving this solicitation.

The contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination

under this Contract or under any project, program, or activity supported by this Contract. Additionally, contractor certifies to the County:

- 3.2.1** That contractor has a written policy statement prohibiting discrimination in all phases of employment.
- 3.2.2** That contractor periodically conducts a self-analysis or utilization analysis of its work force.
- 3.2.3** That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
- 3.2.4** Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

### **3.3 Contractor's Charitable Activities Compliance**

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete Exhibit J (Charitable Contributions Certification), the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. ([County Code Chapter 2.202](#))

### **3.4 Prohibited Activity.**

To the extent applicable, the Contractor represents and warrants that it will not engage in or permit any religious proselytizing or political propagandizing in connection with the performance of this Agreement. The Contractor agrees to comply with the provision of the federal Hatch Act and with Section 675e of Subtitle B of Title VI of Public Law 101-121 (31 USC § 1352) which prohibits use of federal funds to influence the award of federal contracts or grants.

### **3.5 Liquidated Damages**

- 3.5.1** If, in the judgment of the Department Head, or his/her designee, the contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Department Head, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the contractor from the County, will be forwarded to the contractor by the Department Head, or his/her designee, in a written notice describing the reasons for said action.
- 3.5.2** If the Department Head, or his/her designee, determines that there are deficiencies in the performance of this Contract that the Department Head, or his/her designee, deems are correctable by the contractor over a certain time span, the Department Head, or his/her designee, will provide a written notice to the contractor to correct the deficiency within specified time frames. Should the contractor fail to correct deficiencies within said time frame, the Department Head, or his/her designee, may: (a) Deduct from the contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct

liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$100 per day per infraction, or as specified in Attachment 2 (Performance Requirements Summary (PRS)) Chart of Exhibit A (Statement of Work and Attachments) hereunder, and that the contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the contractor; and/or (c) Upon giving five (5) days notice to the contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the contractor from the County, as determined by the County.

**3.5.3** The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the contractor to recover the County cost due to the failure of the contractor to complete or comply with the provisions of this Contract.

**3.5.4** This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

### **3.6 Budget Reductions**

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the contractor under this Contract will also be reduced correspondingly. The County's notice to the contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the contractor must continue to provide all the services set forth in this Contract.

### **3.7 Complaints**

The contractor must develop, maintain, and operate procedures for receiving, investigating and responding to complaints.

#### **3.7.1 Complaint Procedures**

**3.7.1.1** Within 10 (ten) business days after the Contract effective date, the contractor must provide the County with the contractor's policy for receiving, investigating and responding to user complaints.

**3.7.1.3** If the County requests changes in the contractor's policy, the contractor must make such changes and resubmit the plan within 10 (ten) business days for County approval.

- 3.7.1.4** If, at any time, the contractor wishes to change the contractor's policy, the contractor must submit proposed changes to the County for approval before implementation.
- 3.7.1.5** The contractor must preliminarily investigate all complaints and notify the County's Project Manager of the status of the investigation within 10 (ten) business days of receiving the complaint.
- 3.7.1.6** When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 3.7.1.7** Copies of all written responses must be sent to the County's Project Manager within 10 (ten) business days of mailing to the complainant.

### **3.8 County's Quality Assurance Plan**

The County or its agent(s) will monitor the contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

### **3.9 Contractor Responsibility and Debarment**

#### **3.9.1 Responsible Contractor**

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

#### **3.9.2 Chapter 2.202 of the County Code**

The contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

#### **3.9.3 Non-responsible contractor**

The County may debar a contractor if it finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor's quality, fitness or

capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

### **3.9.4 Contractor Hearing Board**

- 3.9.4.1** If there is evidence that the contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 3.9.4.2** The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 3.9.4.3** After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 3.9.4.4** If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- 3.9.4.5** The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of

debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

**3.9.4.6** The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

**3.10.1** The contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the contractor or employees or agents of the contractor. Such repairs must be made immediately after the contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

**3.10.2** If the contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the contractor by cash payment upon demand.

### **3.11 Publicity**

**3.11.1** The contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the contractor from publishing its role under this Contract within the following conditions:

**3.11.1.1** The contractor must develop all publicity material in a professional manner; and

**3.11.1.2** During the term of this Contract, the contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County will not unreasonably withhold written consent.

**3.11.1.3** The contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Paragraph 3.11 (Publicity) will apply.

### **3.12 Records**

#### **3.12.1 Public Records Act**

**3.12.1.1** Any documents submitted by the contractor; all information obtained in connection with the County's right to audit and inspect

the contractor's documents, books, and accounting records pursuant to Paragraph 3.12.2 (Record Retention and Inspection-Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

**3.12.1.2** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

**3.12.2** Record Retention and Inspection-Audit Settlement

**3.12.2.1** The contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The contractor must also maintain accurate and complete employment and other records relating to its performance of this Contract. The contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

**3.12.2.2** In the event that an audit of the contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the contractor or otherwise, then the contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the contractor's receipt thereof, unless otherwise provided by applicable Federal or State

law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).

**3.12.2.3** Failure on the part of the contractor to comply with any of the provisions of this subparagraph will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

**3.12.2.4** If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the contractor, then the difference must be either: a) repaid by the contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the contractor, then the difference will be paid to the contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

### **3.13 Conflicts of Interest**

#### **3.13.1 Conflict of Interest**

**3.13.1.1** No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

**3.13.1.2** The contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The contractor warrants that it is not now aware of any facts that create a conflict of interest. If the contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

#### **3.13.2 Prohibition Against Inducement or Persuasion**

Notwithstanding the above, the contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

**3.13.3**     Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision will survive the expiration, or other termination of this Agreement.

**3.14    Employment Eligibility Verification**

**3.14.1**     The contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor must retain all such documentation for all covered employees for the period prescribed by law.

**3.14.2**     The contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

**3.15    Independent Contractor Status**

**3.15.1**     This Contract is by and between the County and the contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Except as otherwise expressly provided in the Agreement, Contractor has no power or authority to bind the County to any obligations, agreements, or contracts.

**3.15.2**     The contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal,

State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the contractor.

**3.15.3** The contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the contractor and not employees of the County. The contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the contractor pursuant to this Contract.

**3.15.4** Use of the County seal or other County identifier requires prior written approval of the County Chief Administrative Officer or his or her designee. IMPROPER USE OF THE COUNTY SEAL OR OTHER IDENTIFIER SHALL BE REFERRED TO THE COUNTY DISTRICT ATTORNEY OR OTHER APPROPRIATE PROSECUTORIAL AGENCY FOR INVESTIGATION AND PROSECUTION TO THE FULL EXTENT PERMITTED BY LAW. To the extent such material includes the County seal or other identifier, such material shall be distinguishable from County materials and expressly and clearly indicate that Contractor is an independent contractor or consultant.

### **3.16 Most Favored Public Entity**

If the contractor's prices decline or should the contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

### **3.17 Non-Exclusivity**

### **3.18 Nondiscrimination and Affirmative Action**

**3.18.1** The contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 3.18.5** The contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 3.18.6** The contractor will allow County representatives access to the contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 3.18 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 3.18.7** If the County finds that any provisions of this Paragraph 3.18 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the contractor has violated Federal, or State anti-discrimination laws or regulations will constitute a finding by the County that the contractor has violated the anti-discrimination provisions of this Contract.
- 3.18.8** The parties agree that in the event the contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

### **3.19 Fair Labor Standards**

The contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the contractor's employees for which the County may be found jointly or solely liable.

### **3.20 Notices**

All notices or demands required or permitted to be given or made under this Contract must be emailed to County Project Lead and Contractor as identified in the Contract, Paragraph 4.1 (County's Administration) and Paragraph 4.2 (Contractor's Administration). Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service

Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

**4.5.2.3** If the contractor is not required to comply with the Jury Service Program when the Contract commences, the contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the contractor must immediately notify the County if the contractor at any time either comes within the Jury Service Program’s definition of “contractor” or if the contractor no longer qualifies for an exception to the Jury Service Program. In either event, the contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County’s satisfaction that the contractor either continues to remain outside of the Jury Service Program’s definition of “contractor” and/or that the contractor continues to qualify for an exception to the Program.

**4.5.2.4** Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. **4.9.2** As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the contractor's duty under this Contract to comply with all applicable provisions of law, the contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: [GAINSTART@DPSS.LACOUNTY.GOV](mailto:GAINSTART@DPSS.LACOUNTY.GOV) and [BSERVICES@OPPORTUNITY.LACOUNTY.GOV](mailto:BSERVICES@OPPORTUNITY.LACOUNTY.GOV) and DPSS will refer qualified GAIN/START job candidates.

These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

**7.1.3** In the event contractor's failure to perform arises out of a force majeure event, contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

### **8.1 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program**

Failure of the contractor to maintain compliance with the requirements set forth in Paragraph 4.9 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.3 (Termination for Default) and pursue debarment of the contractor, pursuant to [County Code Chapter 2.202](#).

### **8.2 Termination for Convenience**

**8.2.1** This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.3.4** If, after the County has given notice of termination under the provisions of Paragraph 8.3.1 (Termination for Default) it is determined by the County that the contractor was not in default under the provisions of Paragraph 8.3.1 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.3.1, the rights and obligations of the parties will be the same

## EXHIBIT B

### STATEMENT OF WORK

#### 1. PROJECT

The Los Angeles County Department of Arts and Culture (Arts and Culture) has engaged a consultant to develop a draft Countywide Tribal Consultation Policy (Policy) and Implementation Plan (Plan) for the LA County Board of Supervisors to consider adopting for LA County (County). The Policy will provide a framework for the County to establish and maintain effective and consistent government-to-government relationships and engage in meaningful consultation with California Native American Tribes with ancestral and cultural ties to the County.

This work will include convening and facilitating meetings, workshops, and interviews with the Offices of the Board of Supervisors, local tribal governments, the County CEO's Office, Department heads, and County staff, as well as drafting the Policy and Plan. This project is expected to be completed within 18-24 months.

The Consultant will be responsible for managing all aspects of the Project including, but not limited to, developing, planning, and executing Project components detailed below; contracting, managing, and supervising the work products of any and all of Consultant's staff, subcontractors, and vendors who engaged by Consultant to implement Project components; overseeing operations for the Project, including managing the budget, acting as the primary contact for subcontractors and vendors, and ensuring the smooth and timely execution of each deliverable; and providing regular updates to the LANAIC Executive Director and the Department of Arts and Culture on the progress of deliverables.

#### 2. PROJECT BACKGROUND

Tribal governments have a unique relationship with the County compared to community stakeholders who may engage in County processes. The method of interactions with tribal governments should be clearly distinguished from standard community engagement protocols to reflect the government-to-government relationship. Government-to-government tribal consultation provides beneficial insight and helps to produce more robust and meaningful policies, procedures, and ordinances that govern all areas of mutual interest between the County and tribes. This policy should encompass both Federally recognized and Non-federally recognized tribal governments

In 2021, the Los Angeles City/County Native American Indian Commission (LANAIC) and Chief Sustainability Officer (CSO) led multiple listening sessions with tribal leaders and the American Indian and Alaska Native (AIAN) community related to land access issues in response to the LA County Board of Supervisor's (Board) September 29, 2020, Item No. 9 Indigenous Peoples Day [motion](#). One of the six main recommendations made by the group and presented to the Board was to develop Countywide policies and programs to improve government-to-government relations, including the Policy and protocols developed in collaboration with local tribes to reflect their priorities.

To support the development of a Tribal Consultation Policy, the Board adopted a [motion](#) by Supervisors Hahn and Solis directing the LANAIC, in coordination with the Executive Director of Racial Equity for the County's Anti-Racism, Diversity, and Inclusion Initiative (ARDI), to facilitate

and co-lead a workgroup from relevant County departments and leadership from the local tribes listed by the State of California's Native American Heritage Commission (NAHC) to provide specific recommendations regarding the resources and funding needed to develop a systemic tribal consultation policy for the County, as well as provide specific recommendations regarding resources and funding required to develop a truth, healing, and transformation council.

Additionally, the Board adopted a motion, "Acknowledge and Apologize for the Historic Mistreatment of California Native Americans by Los Angeles County" that directed relevant County departments to work in collaboration with local tribes to explore and examine the historical record and relationship between the County and California Native Americans, and develop a public statement that acknowledges, corrects, and disseminates the actual historical record of the County.

Recently, local tribal leaders expressed the need for a Countywide Tribal Consultation Policy during a series of community engagement listening sessions regarding land acknowledgement, harms, and land access. Numerous tribal participants discussed the need to develop a tribal consultation policy to ensure respectful and consistent interactions between County officials, departments, staff, and local Tribes.

**REQUIRED FORMS – FORM 5**

**CONTRIBUTION AND AGENT DECLARATION FORM**

Pursuant to the Levine Act (Government Code section 84308), a member of the Board of Supervisors, other elected County officials (the Sheriff, Assessor, and the District Attorney), and other County employees and/or officers ("County Officers") are disqualified and not able to participate in a proceeding involving contracts, franchises, licenses, permits and other entitlements for use if the County Officer received more than \$500 in contributions in the past 12 months from the bidder, proposer or applicant, any paid agent of the bidder, proposer, or applicant, or any financially interested participant who actively supports or opposes a particular decision in the proceeding.

State law requires you to disclose information about contributions made by you, your company, and lobbyists and agents paid to represent you. Failure to complete the form in its entirety may result in significant delays in the processing of your application and potential disqualification from the procurement or application process.

You must fully answer the applicable questions below. You ("Declarant"), or your company, if applicable, including all entities identified below (collectively, "Declarant Company") must also answer the questions below. The term "employee(s)" shall be defined as employees, officers, partners, owners, or directors of Declarant Company.

An affirmative response to any questions will not automatically cause the disqualification of your bid/proposal, or the denial of your application for a license, permit or other entitlement. However, failure to answer questions completely, in good faith, or providing materially false answers may subject a bidder/proposer to disqualification from the procurement.
