WHAT'S NEW

In April of 2021, the Los Angeles County Board of Supervisors approved a motion authored by Supervisor Holly J. Mitchell and co-authored by Chair Hilda L. Solis to sustain funding for the Community Impact Arts Grant (CIAG). The motion signifies a recognition of the impact of the program, and the County's ongoing investment in the arts and in its [Cultural Policy](#), which integrates arts services into cross-sector County work. We are pleased to share that the motion resulted in the dedication of funding to the CIAG program on an ongoing basis as part of the LA County Department of Arts and Culture's Grants portfolio, following six successful years as a demonstration project. Applications for CIAG will continue to be accepted on an annual basis.

COVID-19

In light of the public health emergency posed by COVID-19 and in accordance with state and county public health orders, additional guidance may be issued to support applicants in following safety precautions, procedures or processes as information becomes available. This guidance may be updated as the situation evolves. For general field guidance on COVID-19 health protocols, see [Reopening the Arts Safely](#) and [LA County Public Health](#).

PROGRAM OVERVIEW

The CIAG program provides financial support for exemplary arts projects and programs of municipal departments and nonprofit organizations whose primary mission is outside of the arts.

CIAG recognizes the value of arts and culture as a vital tool for civic problem solving across a range of issue areas. The program seeks to support the complex arts ecology of Los Angeles County by increasing access and strengthening the quality of arts and culture programming wherever it happens and supporting our diverse communities – in health and wellness, human services, social and restorative justice, community and economic development, and environmental justice, and beyond. This grant is designed to promote arts cross-sector strategies and support organizations that provide high-quality arts and culture programs as part of their larger mission to provide services to individuals and the community at-large.

CULTURAL EQUITY AND INCLUSION INITIATIVE (CEII)

In April 2017, the Board of Supervisors unanimously adopted the Cultural Equity and Inclusion Initiative, a set of 13 recommendations to increase DEI in the arts for all LA County residents with a focus on five key target areas: Boards of Directors, Staffing, Audience/Participants, Programming, and Artists/Creators. [Read more](#) about this public process and ongoing implementation of the 13 recommendations approved by the Board of Supervisors. Visit our [toolkit](#) for resources on the implementation of the second recommendation: inclusive language, policies and infrastructure to recruit and retain diverse staff and boards in LA County arts and culture organizations.

The Los Angeles County Cultural Equity and Inclusion Initiative vision and values are outlined below:

- Every individual participates in creative thinking and expression.
- Every individual has the right to engage in arts and culture that celebrate their highest potential.
- Our community's diversity is an asset to our arts and cultural environment and our economy.
- Including communities through the arts and culture achieves our highest potential, by promoting mutual respect and understanding.

On July 21, 2020 the Los Angeles County Board of Supervisors unanimously passed a Motion committing to an [Antiracist LA County Policy Agenda](#) and on June 23, 2020 the Board adopted the [Countywide Cultural Policy](#).

The Department of Arts and Culture will not consider multiple requests for the same project OR from the same nonprofit organization or municipality, except when considering proposals from fiscally sponsored applicants.

FUNDING REQUEST AMOUNT

Applicants may request \$5,000 – \$20,000. Grant awards will likely be less than the amount requested. In this case, awarded applicants will have the opportunity to revise and resubmit an adjusted project budget that reflects any necessary changes.

Requests must be for a specific project and programmatic expenses. General operating support is not provided through this grant opportunity. CIAG funds can be used for program-related fees, salaries and contracts, marketing and advertising expenses, expendable supplies and materials, space rental, etc. Funds may not be used for personal gain, paid political advertising, capital projects or fundraising expenses.

MATCHING FUNDS

Applicants are required to leverage the grant investment by providing a 1:1 cash match and should provide details about the source(s) of matching funds. If matching funds are not available on hand, applicants should project anticipated sources of funding. CIAG funds may not be used to match any other Los Angeles County grant.

GRANT REVIEW PROCESS + REVIEW CRITERIA

Applications will be reviewed and scored by a grant peer review panel made up of artists, arts and nonprofit professionals, social service providers, community members and others with knowledge and professional qualifications in the arts and social services and with familiarity of Los Angeles County arts and social services sectors. Grant review panels will reflect the diversity of the region and the various professional groups encompassed by the arts and social services sectors, such as practitioners, administrators, board members and educators.

As a public agency, all information submitted to the Department of Arts and Culture in conjunction with a grant application becomes public record at the time the application is submitted.

CIAG applications will be reviewed and scored by the peer panel according to the CIAG Review Criteria. Each question on the application coincides to one or more of these criteria. CIAG point allocation is also delineated by review criteria and outlined in the table on page 9.

ARTISTIC AND/OR SERVICE DOCUMENTATION

A minimum of one and maximum of two artistic and/or service documentation samples must be uploaded with the application at <https://apply-lacdac.smapply.io/>. Two samples are recommended.

Documentation is crucial for evaluating the overall quality of the application and panelists generally spend no more than three to five minutes on the work sample(s) for each application.

The following are specific requirements for artistic sample submissions:

Project	Required Artistic Documentation	Submission Requirements
<i>Sample(s) should demonstrate merit of art and/or service the applicant offers.</i>	Video -or- Audio	No longer than 5 minutes
	Or	
<i>It is recommended that context for all submission be provided in the sample description.</i>	Images	Up to 10 images (PowerPoint Presentation with one image per slide and include title, artist and date)
	Or	
	Published Materials	Up to 2 published materials

NOTE: Applicants applying for video/media arts-based projects are required to submit at least one video sample.

Artistic documentation must be submitted with the application via the Department of Arts and Culture's online application system at <https://apply-lacdac.smapply.io/> no later than 11:59 p.m. on October 27, 2021. Preview artistic documentation files before and after uploading to ensure that there are no technical problems that might interfere with the panel's review of the work.

Panelists may not watch/listen to the entire sample. It is suggested that samples are edited to show the strongest or most compelling components at the beginning of the video. Please be aware that the entire sample (not just the selected segment) is considered a part of the application and may be reviewed. If applicable, include the passwords for all uploaded artistic documentation.

IMAGES: Samples must be submitted in a PPT/slide show presentation and NOT individually uploaded. Up to 10 images may be included in a presentation, one image per slide; include title, context, artist (if applicable) and date. This format is best used to showcase programming activities, participants and completed artworks or exhibitions and installations only when a video is not accessible.

VIDEO: In general, and specifically for media and performing arts-based projects, panelists prefer to review substantive artistic excerpts rather than short edited clips with heavy narration. Provide a brief introduction to the video sample in the Artistic Documentation Index and upload video files in order of preference.

AUDIO: List audio files to be reviewed by the panel, in order of preference, in the Artistic Documentation Index.

PUBLISHED MATERIALS: Published Materials that document artistic programming and activities.

Note: **Do not submit Promotional Materials as artistic documentation.** *Promotional Materials (i.e. season brochures, flyers, postcards, newsletters, and reviews) are not accepted as artistic samples but may be provided as part of the supplemental materials.*
