2020 Los Angeles County Arts Internship Program
Summer 2020

LOS ANGELES COUNTY DEPARTMENT OF ARTS AND CULTURE

The Los Angeles County Department of Arts and Culture ("Department") advances arts, culture, and creativity throughout Los Angeles County. It envisions a region in which arts, culture, and creativity are integral to every aspect of civic life for all people and communities.

PROGRAM PURPOSE

The LA County Arts Internship Program ("Arts Internship Program") supports and strengthens the cultural sector of LA County by providing access to high-quality opportunities for college students of all backgrounds to gain experience, understanding, and transferrable skills relevant to careers in the arts, the creative economy, and engagement in public life. In 2000, the Los Angeles County Board of Supervisors ("Board") established the Art Internship Program, which provides internships for nonprofit performing, presenting, literary and municipal arts organizations as a companion program to the Getty Marrow Internship Program, which provides internships to museums and visual arts organizations. Students develop an understanding of the work involved in nonprofit arts administration and the role of the arts in communities, and develop skills that can be put to use in their future careers. Participating organizations gain the assistance of a motivated student to help with special or seasonal projects while supporting new leaders and advocates in the arts sector, who may go on to pursue arts careers or take on board or volunteer responsibilities.

In 2017, the Board expanded the number of positions funded through the program as part of the Cultural Equity and Inclusion Initiative (CEII) in recognition of the unique role of workforce development opportunities like the Arts Internship Program in addressing continued disparities of equity and access to arts careers. The Board stipulated that the additional positions be reserved for community college students, emphasizing inclusivity of those from communities that experience barriers to arts access.

The Department gratefully acknowledges the support of The Getty Foundation in providing the funding for the educational program components of the Arts Internship Program.

WHAT’S NEW

In recognition of the cross-sector nature of arts and culture work in the County, the Department has expanded eligibility for the Arts Internship Program to non-arts organizations that were awarded a Community Impact Arts Grant (CIAG) in 2016, 2017, 2018, or 2019. As with other eligible organizations, CIAG awardees will be required to propose an internship project that is rooted in its arts programming.
In keeping with rising minimum wage in Los Angeles County, student interns will be paid $6,000 for 400 hours ($15.00/hour) during Summer 2020. Grant amounts to organizations have been increased accordingly.

Community Impact Arts Grant (CIAG) grantees may apply if they:
• Were awarded a CIAG grant between July 1, 2016 and September 30, 2019.
• Currently engage in arts programming and propose an intern project rooted in arts programming.
• Have successfully completed all CIAG requirements (reports, invoicing, etc) to date.

The following organizations are NOT eligible to apply to the Arts Internship Program:
Los Angeles County Arts Internship Program Agreement

Exhibit B

- Arts organizations, departments and programs that are part of a college or university.
- Museums and visual arts organizations.

Museums, visual arts organizations and municipal local arts agencies may be eligible to apply to the Getty Marrow Undergraduate Internship Program. For more information, visit the Marrow Undergraduate Internship Program website at www.getty.edu/grant/education/.

Fiscal sponsors may apply on behalf of multiple sponsored organizations that otherwise meet eligibility requirements. **The fiscal sponsor is the applicant of record.**

**Student Eligibility**

Internship positions are open to currently enrolled undergraduate college students who:

- Are currently enrolled as undergraduates, including students enrolled in associate's degree (community college) programs.
- Are residents of Los Angeles County attending college outside of the region or currently attend college in Los Angeles County.
- Are able to legally work within the United States.

Students who are on track to complete their undergraduate degree, or transfer from a community college to a four-year institution between May 1- September 1, 2020, are also eligible.

The following students are not eligible:

- Students who have already earned a BA, BS or a higher degree.
- Students who have previously participated in the Arts Internship Program.

In addition, organizations may not select students who are their current or former employees, board members, trustees, officers, and/or directors, or relatives of any of their current staff members, employees, board members, trustees, officers, and/or directors.

Candidates can be sought from all areas of undergraduate study and are not required to have demonstrated a previous commitment to the arts. All college students regardless of race, religion, sex, national origin, age, sexual orientation, or disability who meet the above criteria are eligible to participate in the Arts Internship Program.

The Department will verify the eligibility of each student invited to participate. Students will be asked to provide documents (such as college transcript and driver’s license) to verify undergraduate status and residency requirements.

**Organizational Responsibilities**

**Recruiting and Hiring**

Organizations receiving grants through the Arts Internship Program are responsible for recruiting, interviewing, hiring and training eligible interns. The Department is committed to cultural equity and inclusion; all participating organizations are strongly encouraged to recruit and select students of diverse backgrounds, including students with disabilities. To assist in the process, the Department will disseminate information about the Arts Internship Program through
its website, social media and communications directed to local colleges and universities and provide additional resources and best practices regarding recruitment.

As a result of the Cultural Equity and Inclusion Initiative, the number of funded positions in Summer 2020 will be approximately 200. At least 28 positions are reserved for students attending community college in Los Angeles County. Organizations receiving funding for community college positions are responsible for actively recruiting, advertising, and reviewing applications for community college positions accordingly.

Work Schedule

• Beginning and end dates of the internships will vary depending upon the organization’s need and student’s schedule, but shall begin no earlier than May 30, 2020 and end no later than August 30, 2020.

• Interns must complete 400 hours of work between May 30, 2020 and August 30, 2020. The hourly rate paid to the intern must be $15.00.

• The Department recommends a full-time (40-hours/week) schedule over 10-consecutive weeks; however, organizations may work with students to create part-time schedules if the student has prior commitments that would prevent their ability to participate full-time.

• The intern should be scheduled to work during regular business or program hours. This may include evening and/or weekend hours. **However, interns may not be scheduled to work more than an eight hour workday or 40 hours each week without being paid overtime.** Please note that “flexing time” (i.e. asking an intern to work more than 8 hours one day and fewer hours the next) is not permissible unless the organization has adopted an alternative workweek schedule. For more information, please refer to the California Department of Industrial Relations website at http://www.dir.ca.gov/dlse/faq_overtime.htm.

• **It is the organization’s responsibility to comply with wage and hour laws.** Failure to pay overtime when required will render an organization ineligible to participate in the future.

Educational Events for Interns

Three mandatory educational events will be offered by the Department for interns: an all-day event called Arts Summit and two additional offerings. Educational events are an integral part of the Arts Internship Program. While every effort will be made to provide as much advance notice as possible to the organization, the Department considers the educational events essential and attendance at these events supersedes the organization’s need for the intern during the day of the event. Organizations should not expect an intern to return to work directly after an all-day educational event, such as Arts Summit.

Payment to Interns

• Interns are paid $6,000 ($15.00 an hour or $600 per week) for the 400-hour internship. A lesser or higher rate of pay, or fewer/additional weeks of service cannot be negotiated.

• Interns must be paid on a regular schedule. Weekly or biweekly payment is strongly preferred. If necessary, and with the intern’s prior agreement, organizations may distribute pay monthly.
• Under no circumstances should an intern go unpaid for longer than two weeks, unless it is otherwise agreed upon by the intern and the organization to be paid on a monthly basis.

• The $6,000 payment is taxable income for interns. All organizations (especially those with budgets over $500,000) are strongly encouraged to put interns on payroll, deducting all applicable employee taxes, and paying them on the same schedule as staff. If that is not possible, organizations are responsible for clarifying the payment schedule with interns and issuing a 1099 by January 31, 2021. Please note: As of January 1, 2020, California Assembly Bill 5 alters whether, and under what circumstances, businesses may classify workers as independent contractors rather than employees. Grantee organizations are encouraged to consult their own counsel regarding how best to proceed with their interns.

• Payment and work schedule must be discussed with the intern before the internship begins. This discussion should include the payment schedule and any required payroll deductions and paperwork. The discussion must be documented on the “Intern – Organization Agreement Form,” which must be signed by both organization and intern and returned to the Arts Department by Wednesday, June 17, 2020.

Incomplete Internships
Should the intern not complete the full 400-hour internship, the organization is responsible for notifying the Arts Department as soon as possible and before the intern’s last day. Whether or not the organization is able to hire another student to complete the remaining hours will be determined by the Arts Department depending on factors including the circumstances of the previous intern’s departure, the number of outstanding hours and the number of weeks remaining in the Internship Program.

All organizations must keep payment records for their interns in accordance with employment law. Organizations may be required to share those records with the Arts Department to verify grant expenditures and the number of hours worked. In the event the Arts Department determines in its sole discretion, that the grant was not fully expended, it will notify the organization in writing with an accounting of the discrepancy. Any remaining grant balance must be reimbursed by the organization to the County within 10 days of receipt of that notification. Failure to do so may result in the organization forfeiting its second grant payment, being ineligible to participate in the program in the future, and/or being referred to the County Auditor-Controller for collection.

Associated Administrative Costs
An additional stipend of $500 will be awarded to organizations with budgets less than $500,000 to assist with administrative costs and any other additional expenses associated with hosting an intern for ten weeks. All other organizations should anticipate and plan to cover administrative costs. Examples of such expenses may include employer taxes, intern parking and mileage reimbursements. Mileage must be reimbursed at the federal mileage rate, which may be found at http://www.irs.gov/Tax-Professionals/Standard-Mileage-Rates.

Workspace
The organization must designate a workspace and necessary equipment for the internship position requested. The workspace and equipment must be adequate and appropriate for the job duties and responsibilities that will be assigned to the intern. Interns must work in professional arts office locations or production facilities and, if the intern is driving to work, free parking must be provided.
Interns should be interviewed at the location in which they will be working with an opportunity for the intern to see the proposed workspace. If an organization is conducting a phone or video interview, please describe the intern workspace as best as possible.

It is not acceptable for the organization to assign work to an intern to complete at home or after hours, nor for the intern to bring his/her personal laptop to the office to complete assignments. All needed equipment and supplies must be provided by the organization.

**Home Offices**

For those organizations proposing home offices, funding by the Department for the internship grant is contingent upon an initial site visit. Additional site visits may also be required. Home office locations are eligible as intern work sites as long as the following requirements are demonstrated:

- A professional, safe atmosphere.
- A separate room for office space that will not be occupied by any persons (children or other family members) or used for any non-organizational activity during the intern’s work hours.
- An appropriate entrance and exit to the home office, restroom facilities and break/kitchen area.
- A parking space or ample street parking available for the intern during work hours.

The presence of any house pets must be discussed with all potential interns prior to their accepting the position. The organization must be prepared to accommodate the intern during work hours if the intern cannot have contact with a pet for any reason.

**Supervisor Responsibilities**

The supervisor’s role is that of workplanner, trainer, and mentor. The Arts Internship Program requires that:

- One primary supervisor is assigned to the intern(s). A secondary supervisor may also be identified. For CIAG grantees, the proposed supervisor(s) must be directly overseeing/managing the organization’s arts programming.
- Supervising mentors complete an evaluation of the intern(s) and the internship program at the end of the summer.
- Any new supervisor to the arts internship program (two years or less) is required to attend the Supervisor Orientation, which will be held on April 13, 2020 at the Getty Center.
- All supervisors are encouraged to attend the Orientation, particularly those that have not attended in the last five years or more.

Failure to comply with any of the organizational requirements will render the organization ineligible to participate in the future.

**Vacation and Sick Time**

Interns must fulfill 400 hours over the course of the internship period and may not take extended vacations. In the event that an intern must miss a day or two of work due to prior obligations, the organization shall require the intern to make up the hours at the end of the internship period, or forgo payment for those days and provide the Arts Department with reimbursement.
If an intern misses a day due to illness, the organization may choose to pay him/her sick time in accordance with organizational policies, or ask the intern to make up the hours within or at the end of the internship period. Longer periods of absence should be reported to the Arts Department for determination on how to proceed.

The Fourth of July holiday may be treated as a paid holiday or as a workday, in accordance with organizational policies.

**ALLOWABLE GRANT REQUESTS**

**Maximum Number of Interns**
Based on their budget size, eligible organizations in Los Angeles County may request support for one, two or three full time internship positions for 400 hours between May 30 and August 30, 2020.

**Positions Reserved for Community College Students**
Of the approximately 200 available internship positions, a minimum of 28 are reserved for community college students. Organizations interested in recruiting and hosting at least one community college student should note their interest in the grant application. However, any organization requesting three interns will be required to recruit and host at least one community college student.

Not all funded organizations who express interest in hosting a community college student will be required to do so. Organizations will be notified whether they are required to reserve a position for community college student when funding decisions are announced.

All organizations are encouraged to be inclusive in recruiting and hiring students of all backgrounds, including community college students.

**Amount of Internship Awards and Cash Matches**
Each internship awarded will be supported with a grant ranging from $5,000 to $6,500 per intern. Interns will earn $15.00 per hour ($600 per week and $6,000 for the internship period) during the Summer of 2020 regardless of the amount of the grant.

The grant award is to support a portion or all of the intern’s salary (depending on the size of the award and the organization’s budget) for a 400 hour internship between May 30, 2020 and August 30, 2020.

The amount of support an organization may receive is dependent on the applicant’s budget size (the total amount of revenue for the organization’s most recently completed fiscal year).

Grantee Vendor Registration

- Grant funds will be awarded directly to the organization. It is the responsibility of the organization to administer the award and pay interns.
- Grantees must have a current vendor number registered with Los Angeles County. To obtain a vendor ID visit [http://camisvr.co.la.ca.us/webven/](http://camisvr.co.la.ca.us/webven/). For questions related to vendor numbers, contact vendor relations at 323-267-2725 or visit [http://isd.lacounty.gov/vendor-assistance/](http://isd.lacounty.gov/vendor-assistance/).
- Once a vendor number has been created grantees may register for Vendor Self-Service (VSS) to support and ease account management.
- Upon registration in VSS, **grantees are required** to enroll in Direct Deposit in order to expedite payments. Please follow the “Direct Deposit” instructions listed at [https://directdeposit.lacounty.gov/](https://directdeposit.lacounty.gov/).

Dispersal of Grant Funds

- 90% of grant funds ($4,500-5,850 per intern depending on the total grant amount) will be released to the organization once the Department receives a signed contract and an invoice from the organization requesting payment. Payments may take four to six weeks. The Department will make every effort to process invoices as quickly as possible, but if grant funds are not received before the intern is to be paid, the organization is required to pay the intern from its own funds.
- The final 10% of the grant funds ($500-$650 per intern depending on the total grant amount) will be paid to the organization at the end of the internship program and upon receipt of online supervisor and intern evaluations and thank you letters, due by **August 30, 2020**. Failure to submit the evaluations, thank you letters and the final invoice by this deadline may result in the forfeiture of remaining grant funds.

INFORMATION FOR INTERESTED STUDENTS

Once the Arts Internship Program grants have been awarded, eligible undergraduate students apply directly to the recipient organizations. A list of these organizations will be available online at www.lacountyarts.org on **March 31, 2020**. Interested undergraduates may also check for a
list of museums and visual arts organizations that receive Getty Marrow Undergraduate Internship Program grants at www.getty.edu/grant/internships.

GRANT REVIEW PROCESS

A panel comprised of an Arts Commissioner, Department staff, a representative from The Getty Foundation and a program alumnus reviews all applications and make recommendations to the Arts Commissioners. Arts Commissioners review and make final award decisions at their monthly meeting in February 2020.

Review Criteria

Successful applications will demonstrate that:

- The proposed internship(s) addresses the purpose of the Arts Internship Program;
- The internship job description demonstrates meaningful on-the-job training and experience transferrable to careers both in and outside of the arts;
- The organization can provide a specific project primarily rooted in arts programming and administration; and
- The organization has the capacity to assume the successful mentoring of, and supervisory responsibilities for, an intern.

In reviewing applications, the panel will aim to ensure that funded internship positions reflect and contribute to the culturally and artistically diverse arts ecosystem of Los Angeles County. To that end, the panel will seek to balance the final internship pool across factors, which include:

- Communities served
- Geography (i.e. where the internship is located)
- Discipline
- Cultural tradition represented
- Organizational budget size
- Type of internship project (marketing, production, administration, etc)
- Organization’s expressed interest in and capacity to recruit and host community college students

In addition, the panel will consider any issues regarding student supervision and payment to students during past years.

Internship Projects

The ideal internships are those that have a positive human resource benefit for the organization and a positive learning experience for the student.

Internships must be primarily rooted in arts programming and administration and should be designed to offer eligible students experience in areas such as administration, development, education, finance, marketing, production, arts policy, public art, or community and civic engagement. (NOTE: For CIAG grantees, this will require that the intern support the individual(s) and duties directly overseeing and/or managing the organization’s arts programming.) In considering what makes meaningful work or training opportunities, consider projects, duties or other activities that are important to the organization and can teach the intern...
Los Angeles County Arts Internship Program Agreement

Exhibit B

something about the organization while assisting the intern in developing practical, work related skills in the arts and creative economy. Interns should not be given meaningless or “busy work” tasks but should be integrated into the fabric of the organization. For example, while administrative tasks can certainly be a component of an intern’s job responsibilities, the tasks should link into a bigger arts-focused project that the intern can successfully navigate, ideally from start to finish, during the internship.

Examples of appropriate projects include program based activities in research, education, marketing, communication, social media, grant writing and fundraising and/or activities related to producing or presenting performances. Specific project based work makes good use of a student’s capabilities while providing support to the organization.

Competitive applications will propose a challenging project that can be completed within ten weeks and provides meaningful work assignments for the intern. New applicants are encouraged to view 2019 internship job descriptions for reference at https://www.lacountyarts.org/opportunities/arts-internship-program-students/2019-internships.
