

COVID-19 Emergency Operations Center PUBLIC ADVISORY

Virtual Briefing: L.A. County officials deliver update on COVID-19

LOS ANGELES – As of early this morning, the Los Angeles County Department of Public Health (Public Health) has confirmed additional cases of 2019 Novel Coronavirus (COVID-19) within county boundaries. In addition to Public Health, the Department of Health Services also will be providing the latest information about aid throughout the region. Community officials stress to the public to continue the practice of social distancing.

WHEN:

Today, Thursday, March 19
12:30 p.m.

LIVESTREAM:

- These briefings are airing live on the **County Channel**, channel 94 on most cable systems. Find your local channel at <http://bit.ly/CountyChannel>
- Facebook Live at <https://facebook.com/countyofla>
- Several local news stations will be streaming as well.

WHO:

- Barbara Ferrer, PhD, MPH, MEd, Director, Public Health
- Christina Ghaly, MD, Director, Health Services

Questions about COVID-19:

- Visit the Los Angeles County website: <http://lacounty.gov/covid19>

- Call 2-1-1 L.A. County at any time for emergency preparedness information and other referral services. The toll-free 2-1-1 number is available 24 hours a day and seven days a week.
- Department of Public Health: <http://ph.lacounty.gov/media/Coronavirus/>

Media Accessibility for People with Disabilities & others with Access & Functional Needs

Federal Communication Commission rules under Section 255 of the Communications Act require telecommunications service providers to make their products and services accessible to people with disabilities, if such access is readily achievable. Where access is not readily achievable, service providers must make their devices and services compatible with peripheral devices and specialized customer premises equipment that are commonly used by people with disabilities, if such compatibility is readily available.
