

AMY SMITH *Unify*

In her collage portrait, artist Amy Smith combines her photography with layers of hand-cut stencils and pieces of protest signage to reflect on the suffrage movement and the modern woman. By juxtaposing historic suffragette signs with contemporary portraits of diverse women, she acknowledges our past and looks to the future to do better than we did before. We evolve together, and so we rise together.

Artwork commissioned by the Los Angeles County Department of Arts and Culture for Los Angeles County's celebration of the 19th Amendment Centennial. For more information on the six artists who created commemorative artworks, please visit lacountyarts.org.
